DBP	Dibutyl phthalate	0.1%
DIBP	Diisobutyl phthalate	0.1%

Declarations of RoHS compliance made herein do not extend to any NK Product subjected to contamination after shipment by NK. Information provided herein concerning the substance content of the Products represent NK's knowledge and belief as of the date that it is provided based upon our own internal analyses, vendor supplied analyses, and/or material certifications of the raw materials used in the manufacture of our products. NK makes no representation or warranty as to the accuracy of information provided by third parties. NK has taken and continues to take reasonable steps to obtain representative and accurate information, but has not conducted destructive testing or chemical analysis on incoming materials and chemicals. In no event shall NK's liability to any customer arising in relation to the declarations contained in this Certificate exceed the total purchase price of the NK Products sold to that customer since the RoHS compliance date of July 1, 2006.
